

2010 "Best in Class" by Consultants

Reach-In Refrigerators and Prep Tables.

Continental Refrigerator was recognized among the "BEST IN CLASS" by Consultants in the 2010 survey conducted by *Foodservice Equipment and Supplies* Magazine. Continental received recognition for both Upright/Reach-In Refrigeration and Refrigerated Prep Tables.

Survey participants evaluated manufacturers on several performance factors: product quality, value, design, service and support, sales representation, product availability and available product information.

"We're grateful to our customers for their continued recognition of the performance and quality of our products and our continued efforts to provide complete customer satisfaction."
