

# Hardening Cabinets

The Global/Kelvinator Hardening Cabinet is known for quality, performance and reliability and has set the standard for use in hardening batch ice cream products and cakes.

Global offers three models to choose from in the product line. A single-door –30°F model, a quaddoor –30°F model and a quad-door –40°F model..

### **FEATURES:**

- Microprocessor digital temperature and programmable defrost controller LED digital display
- CRO and TXV valves
- Auto Door Switch technology
- Energy Star compliant
- R404a refrigerant
- Self-contained top-mount compressor

- Temperature range 0°F to -30°F/0°F to -40°F
- Door contain magnetic gaskets providing secure and tight seal and feature perimeter and mullion heaters

### **OPTIONS:**

- Caster kit
- Additional cantilever shelves
