# VITA-PREP® 3

## FEATURES

- ≈ 3 peak HP motor
- New ventilation to improve air flow
- Variable speed control
- Patented 64 oz. / 2.0 Ltr. polycarbonate container
- Patented accelerator tool
- Removable lid plug

## BENEFITS

- Increased power handles the toughest ingredients
- Eliminate overheating when blending extra thick ingredients
- Puree, grind, blend and chop at exactly the right speed
- Create a vortex – forcing ingredients up from the blades and back down the center into the blades again – for perfectly blended results
- Easily process ingredients that would bring other blenders to a halt
- Add ingredients while blending

**VITA-PREP 3** – with 64 oz. / 2.0 Ltr. Standard polycarbonate container.
