

BWB-1S BELGIAN WAFFLE BAKER

BWB-1S BELGIAN WAFFLE BAKER

BWB-1S

Wells BWB-1S Belgian waffle baker is designed to cook Belgian-style waffles quickly and easily. Its rotating feature allows the batter to evenly fill the grids. A self-activating timer assures consistent waffle color.

Features

- **Elements are cast into the upper and lower grids** to provide superior temperature uniformity.
- **A solid-state temperature controller** regulates the elements.
- **Grids** are seven-inch diameter, one-half inch deep cast aluminum.
- **Stainless steel shell** provides maximum strength and durability.
- **Solid-state, self-activating timer** with buzzer indicates end of cooking cycle.
- **ON/OFF toggle switch** is located on the front of the unit and is protected by a stainless steel guard. An indicator light will illuminate when cooking cycle is on.
- **Die-stamped stainless steel drip tray** removes easily for cleaning.
- **Handle** is nickel-plated steel with an open-coil design and heat-resistant coating.
- The BWB-1S waffle baker is **Underwriters Laboratories, Inc. LISTED** and meets NSF International standards.
- **A one-year warranty** against defects covers parts and labor.
