Original BBQ taste

The exclusive Grillson BBQ and Smoker pellets from pure, 100% natural hardwoods provide the typical smoky aroma.

Easy handling

Only two buttons: switch ON, set the temperature and grill!

4-in-1 grill

Temperatures from 100 – 430° C (200 - 800° F): smoke, grill, sear and make pizza in one grill.

2 meat thermometers*

Both meat thermometers show exactly how your meat is grilling to the point of perfection.

Self-cleaning

Activate the "Clean Mode". Bob and Leif will heat up to 500° C (930° F) and burn fat and other residues to ash.

App control & Push notifications*

Grill temperature, timer, meat thermometers and the self-cleaning function can be easily set and controlled with your app. Activate the Push notifications to receive updates from your grill.
