

ROYAL

**Is NOW Partnering With Royal
Range to get you the best
grill for you and your NEW outdoor
Kitchen!**

Royal Range's line of Gas BBQ grills have been designed by experienced design personnel with many years of combined experience in the field of gas cooking appliances. All are constructed with heavy gauge stainless steel exteriors and welded construction to ensure years of dependable service. Front panel controls are placed in a protective inset and sized for ease of use by the busy cook. Battery powered electronic ignition, no external wiring, for convenience and safety is standard.
